

**In the Drawing Figures, please replace Figure 1 from the International Application, the figure having been in the German language, with the attached Figure 1 in English.**

## **REMARKS**

Please enter the amendments to the claims, specification, and drawing. The claims amendments correct an inadvertent, typographical error.

The amendments to the specification and drawing sections are in support of changes related to Figure 1. The "Replacement Sheet" for Figure 1 addresses the issue raised in the *Notification of Missing Requirements* mailed on 05/08/2007.

Should there remain unresolved issues, the applicant respectfully requests that Examiner telephone the applicant's attorney at 732-578-0103 so that those issues can be resolved as quickly as possible.

Respectfully,  
Andreas Noack
